You must obtain and maintain a Secret security clearance.  
You must be a U.S. Citizen.  
You must be able to obtain an AT Level II Certification.

**DUTIES:**

Incumbent serves as a Camp Chemical, Biological, Radiological, Nuclear, and High Yield Explosives (CBRNE) Protection Specialist under the supervision of the Camp Commander. Incumbent is an advisor to the Camp Commander and camp staff, and is a CBRNE subject matter expert (SME) responsible for developing, coordinating, monitoring, and evaluating the status and effectiveness of the Camp CBRNE Program. Develops and maintains the Camp CBRNE Response Plan. Coordinates the Camp CBRNE Response Plan with MCBJ, as well as tenant organizations and units, to ensure that tasks and responsibilities are mutually-supportive and synchronized. Implements higher headquarters policies and guidance for CBRNE protection and response activities designed to reduce

to camp's vulnerability to accidental or intentional release or CBRNE contamination, and to assist in the coordination of first response elements; Fire and Emergency Services, Emergency Medical Services, and Military Police. Integrates CBRNE with other pillars of Mission Assurance to maximize resources and benefit from a synergistic, all-hazards approach to protection. Facilitates the employment of active and passive CBRNE security measures designed to sense, shape, shield, and sustain the protection of service members, civilian employees, family members, facilities, critical infrastructure, and equipment. Develops and reviews the CBRNE Force Protection Annex/Appendix of exercise and contingency plans, ensuring CBRNE contingency operations are incorporated into all phases. Participates in camp Mission Assurance Working Group (MAWG) on a quarterly basis to improve CBRNE preparedness through enhanced situational awareness, training, program review, and development. Develops and implements CBRNE response plans to protect personnel and facilities from CBRNE incidents; orchestrates response to these incidents with trained and equipped emergency responders; and ensures camp ability to continue critical operations during an incident and expeditiously restore essential operations.

### **QUALIFICATIONS REQUIRED:**

In order to qualify for this position, your resume must provide sufficient experience and/or education, knowledge, skills, and abilities, to perform the duties of the specific position for which you are being considered. Your resume is the key means we have for evaluating your skills, knowledge, and abilities, as they relate to this position. Therefore, we encourage you to be clear and specific when describing your experience.

Experience:

Your resume must demonstrate at least **one year of specialized experience at or equivalent to the GS-09** grade level or pay band in the Federal service or equivalent experience in the private or public sector.

### **Specialized experience:**

This series covers positions the primary duties of which are analytical, planning, advisory, operational, or evaluative work that has as its principal purpose the development and implementation of policies, procedures, standards, training, and methods for identifying and protecting information, personnel, property, facilities, operations, or material from unauthorized disclosure, misuse, theft, assault, vandalism, espionage, sabotage, or loss. Duties involve the management, supervision, or performance of work in: (1) developing, evaluating, maintaining, and/or operating systems, policies, devices, procedures, and methods used for safeguarding information, property, personnel, operations, and materials; and/or (2) developing and implementing policies and procedures for analyzing and evaluating the character, background, and history of employees, candidates for employment, and other persons having or proposed to be granted access to classified or other sensitive information, materials, or work sites.

Specialized experience must demonstrate the following:

- Experience leading and/or participating in interagency working groups to resolve complex CBRNE issues.
- Experience preparing reports, point papers, memorandums, information papers, and decision briefs for all matters pertaining to CBRNE preparedness.
- Experience exercising a great deal of personal judgment and discretion with broad latitude for interpreting and applying guidelines across the camp.
- Experience operating a variety of office automated systems and software (MS Excel, MS Word, MS Power Point).

Or

Education: Ph.d or equivalent doctoral degree or 3 full years of progressively higher level graduate education leading to such a degree or LL.M., if related.

**Certifications:** Current AT Level II Certification is required. Have or obtain certification in ICS 100, 200, 300, 400, 700, 800 level courses.
